“ Carrie and Holmes were god-parents to my son Waverly Wooding III. We shared so many great times with Carrie and other members of her family over the years prior to our retiring to Florida. I last spoke with her about the transition of her sister Helen. I know that her transition was peaceful and she will be just as great a lady in her new realm.

“ Carrie, my mom "Millie" and dad, "Mike" were best friends for years. Mom and Carrie bowled together and both served on the Ocean County Women's Bowling Association. We lived a few houses away from her and Scotty (her late husband). Carrie was my wife's grade school teacher in Jackson. She also coached bowling for both my girls (Martha and Cheryl) in High School. She was a great lady and will surely be missed.

“ Since I was 18 you've been an inspiration to me on the lanes and off. I will try to get every 5 pin from now on! You have earned your eternal rest. Give my parents a hug for me...I will miss you and love you always..

“ Rest in peace Miss Carrie. I always told you how much I looked up to you and wanted to follow in your footsteps. I will miss you terribly and always remember the laughs at bowling. Strike em up in heaven.

“ My beautiful Friend how I miss you already!! You were an inspiration to hundreds of people. My life has been blessed to have you as my friend, and my bowling partner. You taught respect to hundreds of students when respect wasn't fashionable any more. I will miss your smile, your dry sense of humor, your love. I promise to try to keep my "butt" straight at bowling, and every 10 pin I make will be in your honor. Keep on shining down on us from Heaven Miss Carrie. You are one in a million. Love, Kathi and Cleve, Jake & Danielle (Hummell)
From Cleve- your twin, separated at birth: I will miss my partner in crime and my "bean" buddy!

“ Carrie was and will always be the history of Ocean County Women's Bowling. She has left a legacy of friends not only throughout Ocean County but through the State of New Jersey as well. I still wear a roadrunner pin Carrie gifted me on one of her bowling tournaments out west. Fred Rogers wrote: the connections we make in the course of life - maybe that's what heaven is. Carrie made those connections. Carrie lived those connections. And I feel fortunate to have been a part of the chain. Rest in peace, my friend.

“ Carrie 40 years seems like yesterday. The memories I have of us being together at NJ State Tournaments, traveling together for Nationals, trips to Atlantic City or just meeting for lunch. These are memories I will have forever and just remembering the good times will be a blessing. My friend it will be sad come June and we are not flying together to Las Vegas, but I will have you in my heart. You will be greatly missed.

“ Carrie Scott I will missed your warm smile. You have always been our cheerleader at the top five tournaments. Bowling is your life, a sport you truly loved, so I know you're organizing a team in heaven. R.I.H. until we meet again. Miss You.
