“ Though we never met Joe we know what kind of guy he was because we know his brother, Rob. No doubt Joe exuded his families warmth and community involvement as does Rob. No doubt Joe was a man of integrity, as is Rob. Their parents instilled a value system that knowing you did your best for your community is reward enough. May the Lane family find solace in knowing they are good people, as Joe surely was.

“ Joey lane lived 2 houses away from my mom & dad " The Frank Family " i always saw Joey at the house hanging out with my brother Nicky, and sisters Roberta & Melissa. How sad I felt for Joey to pass at such a young age. And very sad for my siblings who were all still friends from childhood. May the Lord comfort all of you at this time and know Joey is most definitely in peace in heaven as he was an angel of a guy all his life but now also in his eternal life. My heart goes out to you all. Janet Papaioannou.

“ Wow, I met Joe through the Police Explorers a million years ago (1982?). I can't remember if we met at the Academy or while both "working" at the Red Bank Regatta, but he was such a nice guy. I actually left the post I was with (Little Silver) and joined the one he was in (Ocean Twp) because I liked everyone over there. I have so many great memories of those times, and all the Lanes and how great they are (Joe, Rob, and Robin). This is such a terrible thing to hear...Joe was just a really great guy. My heart goes out to all of his family and friends. I am so very sorry for your loss. Deepest condolences, Annie Foster Broyles

**ANNE BROYLES** - January 05 at 08:45 PM
